

SENG

Supporting Emotional Needs of the Gifted

10 Week Parenting Gifted Children Guided Discussion Group

Are you challenged with parenting a gifted child?

You are not alone! Join other parents of gifted children to discuss the unique challenges that gifted children bring to families. In this informative small group, parents will gain specific skills and strategies, as well as the opportunity to support and share insights. We will be following the most widely used educational system for parenting gifted children: the SENG Model (www.sengifted.org).

Topics include:

- | | |
|--------------------------|----------------------------|
| ☞ Characteristics | ☞ Depression |
| ☞ Communication | ☞ Peers |
| ☞ Motivation | ☞ Only Children & Siblings |
| ☞ Discipline | ☞ Values & Traditions |
| ☞ Perfectionism & Stress | ☞ Successful Parenting |
